### SENIOR CYCLE HISTORY

## HOW TO STRUCTURE YOUR PARAGRAPH

P

### Point

State what part/section of the question you're answering.

E

### Evidence

Give your examples/statistics/facts/quotes that support your point.

E

### Explain

Tell your examiner why your evidence backs up your point.

L

### Link

Go back to the question you've been asked and how your answer is relevant. Then connect it to your next paragraph.
